### During the DSH Examination Year:

- Did the hospital have at least two obstetricians who had staff privileges at the hospital that agreed to provide obstetric services to Medicaid-eligible individuals during the DSH year? (In the case of a hospital located in a rural area, the term "obstetrician" includes any physician with staff privileges at the hospital to perform nonemergency obstetric procedures.)
- Was the hospital exempt from the requirement listed under #1 above because the hospital's inpatients are predominantly under 18 years of age?
- Was the hospital exempt from the requirement listed under #1 above because it did not offer non-emergency obstetric services to the general population when federal Medicaid DSH regulations were enacted on December 22, 1987?

**Certification:**

1. Was your hospital allowed to retain 100% of the DSH payment it received for this DSH year?

Answer

Yes

Matching the federal share with an IGT/CPE is not a basis for answering this question "no". If your hospital was not allowed to retain 100% of its DSH payments, please explain what circumstances were present that prevented the hospital from retaining its payments.

Explanation for "No" answers:

The following certification is to be completed by the hospital's CEO or CFO:

I hereby certify that the information in Sections A, B, C, D, E, F, G, H, I, J, K and L of the DSH Survey files are true and accurate to the best of our ability, and supported by the financial and other records of the hospital. All Medicaid eligible patients, including those who have private insurance coverage, have been reported on the DSH survey regardless of whether the hospital received payment on the claim. I understand that this information will be used to determine the Medicaid program's compliance with federal Disproportionate Share Hospital (DSH) eligibility and payments provisions. Detailed support exists for all amounts reported in the survey. These records will be retained for a period of not less than 5 years following the due date of the survey, and will be made available for inspection when requested.
